

**For Immediate Release
1/31/2021**

It is with heavy hearts that Western Maryland Dermatology shares the passing of our friend and colleague, Dr. Sean McCagh. Born and raised in Western Maryland, Dr. McCagh joined our practice in 1996 and served as a skilled and caring physician there for the last 25 years.

Sean's legacy is far more than that of a husband, father, and doctor. He will always be remembered for his dedication to our local community. One of his greatest achievements as a champion for Western Maryland was the annual Hooley Plunge, which has raised over 1 million dollars to support The Special Olympics, and other causes that benefit individuals with special needs.

As we grieve this tremendous loss to our community, Dr. Herring and the rest of the staff at Western Maryland Dermatology remain dedicated to providing exceptional care and serving our community as Dr. McCagh would want. We will honor his life and legacy each and every day.
